Splendid Classic JAPAN

12 Days / 11 Nights

With 6852 islands, Japan is a land covered with 70% of mountains, over 200 of them being volcanoes. Our Japan tour displays an iconic land that has beautifully blended traditions with modern life, co-existing together. Known as the Land of the Rising Sun, Japan is known for out-of-the-box fashion trends and also for its culinary experiments which can be lived along. Even though Japan is a relatively small country, the depth of its culture and colour is immeasurable. The lively ambience of this country is noteworthy. The high-tech amenities and anime culture have made an insuperable part of Japan's identity! Notice this remarkable drift in the culture along with our Japan tour.
